

First Nations Health Authority  
Health through wellness

## First Nations Health Authority eHealth Community-Driven, Nation-Based

e-Health Conference 2016 – June 7  
Jeffrey Yu, Acting Director, eHealth  
First Nations Health Authority

# First Nations in BC

- 201 Communities
  - 155,020 Status First Nations
  - 26 Cultural Groups

# First Nations Health Authority:

**Vision:** “Healthy, Self-determining and vibrant BC First Nations Children, Families and Communities”

## Shared Values

Respect  
Discipline  
Relationships  
Culture Excellence  
Fairness

## 7 Directives

1. Community Driven, Nation Based
2. Increase First Nations Decision-Making and Control
3. Improve Services
4. Foster Meaningful Collaboration and Partnerships
5. Develop Human and Economic Capacity
6. Be without Prejudice to First Nations Interests
7. Function at a High Operational Standard

# eHealth Strategy Objectives

1. The FNHA's eHealth Strategic Plan is at the approval stage - representing the first large-scale, coordinated effort to meet the needs of BC First Nations communities with eHealth initiatives.
2. This plan has been developed in partnership with First Nations communities while coordinating and leveraging services and eHealth assets available at the Ministry of Health and regional Health Authorities.

Information, Technology  
& Virtual Health and Wellness  
Strategy Plan **2015-2021**
