

**Marc Koehn**

Marc is a senior consultant with more than 25 years of progressive and varied experience in providing healthcare IT/IM-focused management consulting services both within BC and across Canada. His wide market knowledge, strong analytical skills and technical expertise combined with his advanced and well-honed general management, facilitation and communication abilities allow him to deal effectively with a wide range of business and technical challenges – both at strategic and operational levels. Engagements have ranged from strategic facilitation through project management of complex, multi-agency initiatives, to hands-on delivery of specific program, solution or analysis initiatives. Marc has extensive and broad experience in taking a leadership role, developing productive relationships among diverse and boundary spanning stakeholder groups to maintain momentum on large, time critical, and complex business projects. As chief operating officer and member of the executive team for Gevity Consulting Inc., Marc oversees a broad array of projects from proposal / bid stage through to successful client delivery.
