Health 2024
Conference + Tradeshow

What are we looking for in a presentation?

We are looking for submissions that describe **initiatives, technologies, processes, or delivery models** that have the potential to change the face and focus of healthcare delivery in Canada.

Health 2024
Conference + Tradeshow

We want to hear stories from across **all care settings**: acute care, community care, home care, long term care, First Nations health, BIPOC communities, mental health, and telehealth/virtual health.

e-Health 2024
